

Information on Using Zoom

You do not have to have a Zoom account to attend a Zoom meeting. You will be prompted to download the software once you have clicked on the link that you have been provided. You may also wish to create an account, but that is not required to participate in a Zoom meeting.

If you are currently signed up for one of our classes, you will receive an email with a link to open Zoom or instructions on how to connect prior to the Bible study meeting.

If you are not signed up, we would love for you to join us!
